

ALTAMAHA EMC SECURITY LIGHTING AGREEMENT

Altamaha EMC Account #: _____

The Altamaha Electric Membership Corporation, hereinafter called the Cooperative, and _____, a member of the Cooperative, hereinafter called the member, for and in consideration of the mutual benefit to be hereinafter derived by each party to this agreement, hereby mutually agree as follows:

- (1) The Cooperative will furnish, install, and make all necessary electrical connections for a Mercury Vapor type lighting unit at a location suitable to both parties. The location, however, shall not be more than 100 feet (160 feet on underground) from an existing 120 volt Cooperative owned secondary line.
- (2) The Cooperative shall furnish electric power for the lighting unit which shall be controlled by a photo cell to energize the unit from dusk to dawn.
- (3) The member agrees that service for _____ lighting unit (s) provided
No. Units Size Unit
by the Cooperative shall be unmetered and billed on the members monthly electric statement for a total monthly charge of \$_____.
- (4) The Cooperative shall maintain the unit free of charge. Burned out lamps will be replaced by the Cooperative at no charge to the member.
- (5) The member grants the cooperative permission to enter upon the property for the purpose of inspecting and maintaining the lighting unit.
- (6) The member further agrees that the unit, together with the poles and conductors, may be removed or disconnected at any time by the Cooperative upon failure of the member to pay the charges set forth herein in accordance with the Cooperative's established rules for billing and collecting electric accounts.
- (7) If a member requests service discontinued before minimum term expires, the unpaid balance equal to twelve monthly charges shall become due and payable and will become a part of the member's regular electric service bill.
- (8) It is mutually agreed that the unit installed remains the property of the Cooperative and will be removed at the request of the member when this agreement is terminated in accordance with the provisions contained herein.
- (9) The member agrees to exercise proper care to protect the property of the Cooperative on its premises and in the event of loss or damage to the Cooperative's property arising from negligence of member to care for same the cost of necessary repair or replacement shall be paid by the member.
- (10) It is mutually agreed that service interruptions to the lighting unit shall be reported by the member to the Cooperative. Replacement of lamps and all other repairs shall be made only during the regular working hours of the Cooperative's service personnel as soon as possible after notice of such interruption of service is received. No reduction will be made to the member's monthly charge under this agreement for service interruption time due to lamp failure or other cause beyond the control of the cooperative.
- (11) The member agrees that if at any time the Cooperative deems it necessary to revise the rate schedules pertaining to Security Lighting a corresponding modification will be made to the rates for services hereunder.
- (12) The member agrees to furnish the location for the lighting unit; shall permit all necessary tree trimming required for the conductors or unit installation.
- (13) The minimum term for this agreement shall be one year.
